

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Nicole Rosie, Chief Executive of WorkSafe New Zealand, exempt **Netherby Grounds Ltd** trading as Get Wet Waikato from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017.

I do so –

- being satisfied that:
 - the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to it; and
 - the exemption is not inconsistent with the purpose of the Act; and
- subject to the following conditions:
 - This exemption is limited to the two cylinders with the serial numbers 11/2934/026, and 11/2364/018. It is not a type approval for other cylinders of similar or identical design.
 - Netherby Grounds Ltd must ensure that the letters LAB7703SP and the station mark are stamped on these two cylinders in accordance with regulation 15.60.

This exemption takes effect on **4 April 2018** and expires on **4 April 2023** unless it is sooner replaced or revoked.

Signed at Wellington this 29 day of March 2018

Nicole Rosie
Chief Executive
