Public warning in case of major incident

General information about how the public will be warned in the event of a major incident at the facility:

Immediate Neighbors will be advised
 Emergency Services will be advised (This will include, Fire, Police, Ambulance as required)
 Civil Defense and Auckland Council will be also advised (dependent on scale, product)
 Worksafe will be advised.

Public actions in case of major incident

General information about how the public should act and any precautionary steps that people should take if a major incident occurs at the facility:

The Air Liquide New Zealand (ALNZ) Crisis Management Team will advise the emergency services of the perceived scale of the event. This will include type of product and potential risk to persons and property.

Dependent on type of event or time of the day, this could result in evacuation of surrounding businesses and closure of Maurice Road and/or the rail spur to Onehunga.
