## MEDIA RELEASE

# Lifetime certificate of competence holders' requirements

---

WorkSafe have published the prescribed competency requirements for holders of a certificate of competence (CoC) with no expiry date ('a lifetime CoC'). These requirements have been Gazetted: [www.gazette.govt.nz](http://www.gazette.govt.nz)

Under clause 7(5) of Schedule 1 of the Regulations the Health and Safety at Work (Mining Operations and Quarrying Operations) Regulations 2016 (the Regulations), a quarry manager's lifetime CoC continues in force on that basis, as long as the holder, on and after 1 January 2018, complies with the prescribed competency requirements and continuing education requirements set by WorkSafe.
